10.10.010 Setting Speed Limits.

A. The chief of police, or person designated by the chief of police, is responsible for conducting all engineering and traffic surveys necessary to establish, maintain and enforce prima facie speed limits on all streets, or portions thereof, within the jurisdiction of the City.

B. Consistent with the requirements of the Vehicle Code, the Council hereby establishes the prima facie speed limits applicable on all streets, or portions thereof, within the jurisdiction of the City.

C. Except for those prima facie speed limits set forth in the California Vehicle Code, the speed limit established by the Council on any particular street, or portion thereof, shall be based upon an engineering and traffic survey demonstrating that the speed limit is appropriate, reasonable and safe to facilitate the orderly movement of traffic. (Ord. 720 §1, 2005)

10.10.020 Traffic Signal Timing.

The City Engineer is authorized to regulate and set the timing of traffic signals so as to facilitate the orderly movement of vehicular traffic in a reasonable and safe manner, and at speeds consistent with the speed limits established by State law or by resolution of the Council. (Ord. 720 §1, 2005)

10.10.030 Signs Required.

The City Engineer is authorized to erect upon each of the streets located within the jurisdictional boundaries of the City, appropriate signs giving notice of the prima facie speed limit applicable to such street, or portion thereof. (Ord. 720 §1, 2005)

10.10.040 Effective Date of Speed Limits.

The prima facie speed limits set by resolution of the Council shall be effective when appropriate signs giving notice of the applicable prima facie speed limit have been erected. (Ord. 720 §1, 2005)

10.10.050 Violations.

The speed of any vehicle upon a street in excess of the prima facie speed limits shall be prima facie unlawful.

10.10.060 Speed Limits Established on the Basis of Traffic and Engineering Survey.

Based upon an engineering and traffic survey conducted in compliance with the Vehicle Code, the following prima facie speed limits are established and declared:
(Ord. 720 §1, 2005)
