(Complete a separate SB205 Compliance Form for each physical location in Ripon)

---

Senate Bill (SB) 205, signed by Gov. Newsom in 2019, requires a person or entity who conducts a business operation that is a “regulated industry” to demonstrate enrollment with the National Pollutant Discharge Elimination System (NPDES) permit program established by the Federal Clean Water Act and the California Water Code. The goal of the program is to address the health and safety of drinking water sources statewide.

SB205 does not affect all businesses. Only those businesses with primary Standard Industrial Classification (SIC) codes that are identified by the State Water Board as requiring enrollment in the Industrial General Permit (IGP) are affected. The questions below will guide you and the City in determining if your business requires enrollment in the IGP.

---

- 1. What are the primary Standard Industrial Classification (SIC) codes for this business location?**  
Look up your SIC Code(s) at: <https://www.osha.gov/pls/imis/sicsearch.html> and search by keywords related to your business (ie: metal recycling, beauty salon, physical fitness).

SIC Code(s): \_\_\_\_\_

- 2. Do any of the Primary SIC Codes from question #1 above match any of the regulated SIC Codes listed on the Water Board website found at:**

[https://www.waterboards.ca.gov/water\\_issues/programs/stormwater/sicnum.html](https://www.waterboards.ca.gov/water_issues/programs/stormwater/sicnum.html)

Circle One:                      YES                      NO

**If you circled YES, continue on to question #3 on the back of this page.**

**If you circled NO, sign the back of the page and return this form as completed. No other information is needed and you are in compliance with SB205.**

**3. Has this business already obtained an Industrial NPDES Permit:**

Circle One:                      YES                      NO

**If you circled YES, provide one of the following issued by the State Water Board, sign the bottom of the page and return this form. You are in compliance with SB205.**

- Storm water permit number, known as the Waste Discharger Identification number (WDID) \_\_\_\_\_ or WDID application # \_\_\_\_\_
- No Exposure Certification (NEC) ID# \_\_\_\_\_
- Notice of Non-Applicability (NONA) ID# \_\_\_\_\_

**If you circled NO, you must enroll under the Industrial General Permit using the Stormwater Multiple Application and Report Tracking System (SMARTS) and provide the City of Ripon with the required documentation before a business license can be issued.
