

Ripon Police Department Block Party Application

A block party is an outdoor neighborhood gathering coordinated by the residents of that neighborhood that includes the closure of a public right of way within an area zoned for residential use. Block parties are NOT for open invitation and do not extend beyond the specific residents of that City block and their particular guests.

Block parties may not include the closure of arterial streets and may not be for commercial, for-profit, or advertising purposes. Those wishing to hold a block party must obtain a Block Party Permit by meeting the requirements below.

The permit process is designed to mitigate public inconvenience and minimize risk to the greatest extent possible. Block Party Permits are processed through the Ripon Police Department. The Block Party Permit process enables staff to work with you in advance of your event date to address any potential challenges to help ensure a successful event.
