- 1. Discuss the Community Center Parking Lot and Baseball Field Relocation Project.**  
Director Stevens stated that the Engineering Department has been working on design plans to replace the existing asphalt parking lots near fields 1 and 2 at the Community Center with a new L shaped parking lot that will utilize pavers. Instead of two separate parking lots one larger L shaped parking lot will be installed and the 2<sup>nd</sup> baseball field will be relocated and moved to the west to make room for the entire new parking lot. Director Stevens presented some drawings from Engineering for the Parks and Recreation Commission to look at which show the baseball fields and the new parking lot. He reported that baseball fields 1 and 2 would get new fencing and dugouts as part of the project.
- 2. Other Reports - Director or Commissioners.**  
None.

There being no further business the meeting was adjourned at 6:24 pm.
