

# HELP CATCH A CRIMINAL!

No criminal wants to be CAUGHT. But if you SEE or HEAR someone breaking the law, try to REMEMBER what they look like and quickly REPORT them to the police.

The most valuable aid you can give a police officer about a crime is help in the identification of suspects. This and the facts you observe about the crime itself are the two main points on which an officer bases their investigation. These two items can, in many cases, be far more important than the findings made through scientific investigation at the scene such as fingerprints, foot casts, etc. Many times such evidence is non-existent.

**FILL IN ALL THE BLANKS** and give to the first police officer on the scene.
